

My Own Jazz Ensemble

You have been given a rhythm section that consists of piano, bass, and drums. Now, you can select up to six more instruments from the instrument family portraits, or other instruments that you are familiar with, to create an ensemble. List or draw them below:

Add together the total number of instruments, including the rhythm section. _____

What do we call that number of musicians when they are grouped together? (e.g. quartet, quintet, etc.)

Create a name for your ensemble. (e.g. Courtney's Septet!)
