

Learn to Beatbox

You can create your own rhythm track using just your mouth to imitate different percussion instruments.

When you say “**Boots,**”

it sounds like a bass drum.

When you say “**Cats,**”

sounds like a snare drum.

Ready to Beatbox?

Boots and Cats

and **Boots and Cats**

and **Boots and Cats**

and **Boots and Cats**

What other sounds can you make with your mouth to add to your beatboxing rhythm?
